New Advertisements.—The attention of our readers is specially directed to the following advertisements, which appear for the first time in our paper to-day.

Good reading on every page.

Improvement.—Last week The Pittsburgh Gazette appeared in new dress and quarto form. It is a decided improvement.

Next Potatoes, for sale at Wm. A. Porter's G. C.—The Central Grant Club meets on next Saturday night. Members should bear this in mind and put in appearances. Outside are cordially invited to attend.

The legs of the nation are shivering up for want of exercise. We do not walk enough. Hence dyspepsia, liver complaint, debility, and a lively demand for false calves. It is all wrong.

Wisdom Glass of all sizes, for sale, at G. W. Roberts' Drug Store.

Local Legislation.—We note a bill passed the House last week authorizing the School Directors to levy a special bounty tax in Jackson township, Greene County.

The largest, newest, most fashionable and cheap stock of dry goods in the county, at Evans' Store.

Go to Evans' for bargains in shoes and gaiters.

Palazzo and the Pope.—Three new Italian bells were baptized by the Pope a short time ago—thousands of American bells are self-baptized every day with Palazzo's "Flor de Mayo," the new perfume for the handkerchief. Sold by all druggists.

Freak of Nature.—A responsible man tells us of a curiosity in the animal kingdom: A resident of Jacksonville has a bitch that recently gave birth to two pups, which have but two legs each, neither having any sign to show for fore paws. One died since birth the other he is rearing and it will at some future day command a handsome sum.

All kinds of fashionable goods at Evans'.

The citizens of Central township, Wetzel county, held a meeting at Fairview School House, on the 14th inst., and organized the "Fearless Grant Club of West Virginia."

Barbetta Hair Restorative, by single bottle or dozen, for sale, at G. W. Roberts' Drug Store.

How many of our citizens are beautifying their grounds by planting trees and shrubbery? In the forests about here is found the soft or water maple, which not only makes good shade, but in beauty is equal to the genuine silver maple. Every man whether he owns property or not should plant trees.

Driver's bargain while you may. There is a rare opportunity at Evans' Store just now.

Go to G. W. Roberts' Drug Store, for the best, strictly pure White Lead, for sale, at G. W. Roberts' Drug Store.

G. A. of the R.—The organizing of the Grand Army of the Republic is being rapidly forwarded in West Virginia. We note that Maj. J. H. Bristor, formerly of our county, has been temporarily elected Post-Commander of the organization recently formed in Wheeling.

You can save money by buying tickings at Evans'.

Vaseline and brushes of all kinds, just received and for sale, at G. W. Roberts' Drug Store.

M. C. & H. Bell say they have just received their cheap Boot & Shoe Store, Sycamore corner, Waynesburg, Pa., a lot of new goods consisting of pair of ladies high top Glee Kid Boots—the latest styles, ladies' and gents' Bussell's slippers and any amount of gum overs suitable for other sex, which they will sell for less money than they can be bought for elsewhere in the County. Give them a call and be convinced of what they say.

Knox's fresh Garden Seeds, just received and for sale, at G. W. Roberts' Drug Store.

L. K. Evans' has just returned from Philadelphia with a full assortment of spring and summer dry goods.

A thing of beauty is a joy forever: The land evidently saw with prophetic vision, Evans' splendid line of Carpets.

Free Flaxseed Oil, sold at G. W. Roberts' Drug Store.

Shoes and Gaiters in great variety at Evans' Store.

We overlooked the fact last week that Hon. Jno. C. Flenniken, of our borough, was appointed by the State Convention, as delegate from this District to the National Republican Convention to be held in Chicago, May 29, prox. The appointment is an eminently satisfactory one. Wm. McKenna, Esq., of Washington is the other delegate for the District. Elector, J. S. Ratan.

Free Red Lead and Litharge sold at G. W. Roberts' Drug Store.

Notice to Merchants.—The undersigned will receive proposals until the 1st day of April, for the stone and the brick work of a Church to be built in Waynesburg Pa. Said house is to be seventy-two feet long by sixty-six feet wide; lower story eighteen inch wall, upper thirteen inch. The stone work will be let by the perch in the wall, and the brick work by the thousand.

For further particulars and full description apply to the undersigned.

THOS. HICKSON, T. M. FORMAN, N. CLARK.

A PRATTY FOOT is regarded by many as the chief of ornaments. To this end, Evans' made the selection of his new line of shoes a specialty.

Strawed Out.—Many of our young men, mechanics and others, are setting their faces Westward this Spring. Monday last Robert Adams, of Dawson, and "Charlie" Berrill left for Cheyenne City, Dakota. They will be followed in a few days by several other boys of our town. We also, noted one or two families who had "struck and packed" for Western destinations. We hope the success of all may be as brilliant as their anticipations.

"MARION HARREL AGENTS!"—That cock so conspicuously displayed by our neighbor, last week, over the Township election has a doctored air well suited to the occasion that brought him forth. "To crow or not to crow?" with the question decided in the affirmative, under the hypothesis, we presume, that it were "better to endure the ill we have than fly to others we know not of!" Democracy, if for none other, deserve credit for the christian virtue of Patience—a seeming resignation and cheerfulness in times of distress. It is the part of wisdom to make the most of little things and the case in point is one of the least.

A huge (?) majority was that of those in comparison with their majority of eighteen at the Borough election of last June: Truly, a victory of magnificent proportions! And then the manner in which it was achieved must be ascribed to those of the faith who pretend to political principle. It is a notorious fact that at least few voters were impartial and voted in this township, these of whom spirited themselves away immediately after voting and have not been seen here since. This is downright fraud and a corruption of the latest of the law. To arrest their miserable dupes and try them for perjury is not demanded, but we think it could be clearly proven that the so-called defeated candidates for constable was the lawful choice of our citizens.

This outrage upon light, just here in our midst is a potent reminder of the truth that Democracy, so called, is but the synonym of all that is base, treacherous and wicked. Whilst we pity the tools in the foregoing piece of villainy, the utmost depth of shame and infamy is reserved for the instigators. Whyfore the rooster?

REBELLEN IN THE W. VA. PENITENTIARY.—The Mountville National, of last week says, yesterday, the 17th inst., about 4 o'clock the usual peace and quietness of our town was disturbed by a rapid firing of musketry at the Penitentiary; twenty five of the convicts had made an attack upon the sentry-box situated at the S. E. corner of the stockade, and succeeded by pouring in a shower of stones in driving the guard from his post and capturing Capt. Williamson of the Guards; also some six or seven muskets and ammunition; many of the citizens upon hearing the firing rushed to the assistance of the guard, and after a sharp little engagement, succeeded in capturing several, killing one and wounding seven. The convict killed was Woodson L. Crews, those wounded, Abner Marks, mortality; Mike Ribbett and Jack Lawson slightly; Goleman (colored), severely; Wm. Jetter still at large; Alpha Copeland and Lawrence Oady, slightly. While the firing was going on, some of them endeavored to make good their escape. They were pursued, however, and most of them retaken within two miles of town; four are still at large, named Wm. Jetter, James Schroder, Bernard Brooks and O. J. Woodbridge. They went off in the direction of Wetzel county, and probably down the river.

Wednesday morning, 18th, Marks is still living this morning, but cannot long survive as his wounds are very severe; he was shot in the breast and right arm with a load of buck shot.

Don't Do It!—Asson as you are up in the morning young lady, or old one, don't rush to the front door or window and hang yourself out for hours at a time. It don't look well. Especially if you are in a dress and person. If you desire to see what is going on in the street seat yourself on a store-box and use a pen knife and stick. Unpleasant reminders are suggest by the head and shoulders of a woman protruding as far as safety will permit from a window. And let us say to you young ladies, rarely if ever will you see your eyes upon your future husband if that is what you are looking for. He will, if sensible, think of unwashed dishes, rooms in disorder, as lastly slowly with, the moment he detects the fizzled head hid by a sun-bonnet or chance covering of any kind. First finish your work, then arrange neatly in promenade costume, sally forth for a walk. You have a perfect freedom in this and will enjoy it and be benefited. But don't endanger your lives and your reputation for practical sound sense by dangling from a window! Don't!

READING ROOM.—We heartily endorse the truth, that no village, however small should be without a literary association and a library, in which should be deposited newspapers, documents relating to the history of the country, local curiosities, and other matters of general interest. The first step should be to secure a club of subscribers, the next to obtain a room, the third to form a library, to be open on certain days, and then to hold stated readings of original papers, or selected works, debates, conversation, and business meetings. Thousands of young people have at such associations acquired much useful knowledge. When the association is rich enough, lecturers may be hired; until then the village schoolmaster, clergyman or other resident men of culture, may be induced to address the meetings. Why can't we have such a coterie in Waynesburg? Who will move in this matter?

"A THING OF BEAUTY IS A JOY FOREVER."—A thing of beauty is as beautiful as a picture of health. Headache, Nervous Pain, Stomach Stomach, Distress after Eating, Prostrating Weakness, Despondency for Society, Mental Depression, &c., are the rule rather than the exception with the human family, and have stamped their effects upon us all. The most effective, gentle and agreeable remedy is the Plantation Bitters. They have probably cured and alleviated more cases the past five years than all other medicines combined. They are sold throughout the length and breadth of the land.

MAGNOLIA WATER.—A delightful toilet article—superior to Cologne and at half the price.

THERE has been considerable discussion lately about the question: "How many times does a movable wheel revolve on its own axis in rolling once around a fixed wheel of the same size?" The question was started in the Scientific American some months since, and the mechanics all over the country have been making wheels and adapting rollers in the attempt to settle it. The Scientific American says that the true answer is one, while the American Artisan insists that two is the only possible reply. Perhaps some of our mechanics can settle the matter.

MAN KILLED.—On last Monday week a sad accident happened at a steam saw mill in Cross Creek township, which resulted in the instantaneous death of the owner, Mr. Harrison T. Harsh. Mr. Harsh had been firing up, and on stepping backward, slipped, and falling against the fly wheel in his rear, his body was drawn under it (the wheel runs in a pit) head foremost. The body of the unfortunate man was recovered shortly afterwards in a horribly mutilated condition.—Washington Reporter.

Special Notices.

DISCHARGED IN BANKRUPTCY.—Ohio Wade and Wenman Wade of this county, "judged bankrupts on their own petition" were discharged forever from all debts contracted prior to the filing of their petitions, by Judge McCandless of U. S. Dist. Court, last week. Their aggregate debt was \$14,000. It cost about \$100 to put each case through and they are the first discharged in this county. Bankrupts fail to see the benefit of this Act until after the 2nd of June, prox., when the fifty per cent. clause becomes operative.

PROMOTED.—We are pleased to learn that Mr. B. Frank Flenniken, the gentlemanly and efficient leader of the First National Bank, of this place, at a late meeting of its Directors, was advanced to the position of Assistant Cashier. This action is complimentary and speaks well for the business qualifications and future success of the young gentleman.

PRESCRIPTION.—The late spring afforded a fine opportunity to extract "finny denia" from their native element. Business, in that line, opened brisk and it was not infrequently that inviting "strings" were taken. The salutary law against fishing has increased the population of our waters and the sport from leisure "fat takes" and good returns.

EVERY column of a newspaper contains from five to twenty thousand distinct pieces of metal, the misplacing of a single one of which would cause a blunder or a typographical error. With this curious fact before you don't you wonder at the general accuracy of newspapers?

SPECIAL attention is called to the advertisement of "Eagle Foundry" under New Advertisements. A recent visit to the establishment convinced us that its enterprising owner, Mr. Chas. Bower, had put things in better condition than heretofore and that he would make it an object to meet all orders promptly.

BERRAN has reached famine prices in this latitude, and is still going up, if, indeed there is any to go up. At forty cents a pound one must have a pretty strong article and eat a good deal of it to get his money's worth.

"TERT SAY" that L. K. Evans' ought to be impeached for bringing such a magnificent stock of goods to town and selling them at such very low prices.

WAYNES COUNTY COURT convenes on the second Monday in April.

For anything in the Drug Line go to G. W. Roberts' Drug Store.

Markets.

WAYNESBURG MARKET. WAYNESBURG, March 27, 1898. Corrected Weekly for the REPUBLICAN.

Table with columns for Butter (fresh roll), Eggs, Flour and Grain, Groceries, and various other market items with their respective prices.

PITTSBURGH MARKETS. SATURDAY, March 27, 1898. During the past week, in our general markets there has been a moderately active jobbing demand in most branches of trade, but prices, with few exceptions are quietly unchanged.

Table with columns for Grain and Flour, Provisions, and various other market items with their respective prices.

NEW YORK DRY GOODS MARKET. New York, March 27. Dry Goods.—The market is dull and weak, and holders have consequently reduced the price of many articles.

HOWEVER it may be with gold stocks the rivers are "rising." The Hudson, Ohio, Mississippi, and their tributaries, suddenly unsoosed from the icy fetters of a long and snowy winter, are leaping into life and vigor under the stimulus of our warm Spring sun, and, overflowing their banks, sweep away over the brown meadows and bare fields until the scattered trees and half buried forests ride like navies at anchor in their inland seas.

WHEN the cities have trusted too far the constancy of the streams which supply their commerce, they find their streets and wharves submerged, and the property and lives of their people endangered. Owing to the many heavy falls of snow during the past Winter, and the late and sudden coming of the Spring, our Spring freshets will probably be unusually high, and unless promptly met and adequately guarded against, they will prove seriously disastrous.

A New York paper says: "At a ball up town, a few evenings ago, some of the ladies had three servants to hold up the train of their dresses."
